45 minutes

#### Who is suitable for?

Suitable for those with damaged, brittle, dull, and lacklustre hair due to aggressive colouring or the use of hairdryers and straighteners.

#### What does it contain and what it does?

- **Filler Therapy:** Argan oil, flaxseed oil, marine collagen, and resins for stronger and healthier hair.
- **Tone on tone - Clear:** Conditioning quaternary polymers with a glossy effect.

#### Maintenance at home

Using the **Filler Therapy Restorative line**, which includes **Restorative Shampoo**, **Conditioner**, and **Lifting Mask**, is recommended.

#### FAQ

- **How often can I repeat the treatment?**  
Every four weeks.
- **How soon can I expect to begin seeing the benefits?**  
You will notice the benefits within 5 months.
- **Is it suitable for thin hair?**  
Absolutely. The treatment is suitable for fine hair as well, especially if it is weakened and stressed.
- **Does it lighten hair?**  
No.
- **Can I colour my hair the same day as the treatment?**  
Yes, refer to the back of the instructions to learn the proper way to use Filler Therapy treatment in conjunction with colouring.

## Lamination

### TREATMENT FOR SOFT AND ULTRA GLOSSY HAIR

### Method of use

-  1. Apply **Filler Therapy Clarifying Shampoo pH+ (1)** to damp hair. Leave it on for 3 minutes, then rinse. Shampoo again if necessary.
-  2. Apply **Filler Therapy Long Lasting Filler (2)** with a colouring brush, starting from the ends and massaging in the direction of the roots.
-  3. **Dry** hair thoroughly with a regular or hooded hair dryer.
-  4. **Rinse** thoroughly with just water.
-  5. **Prepare the mixture of 3D light tone on tone – Clear and the 3D light activator** tone on tone 7 vol (2.1%) in a 1 a 1/2 ratio.
-  6. **Apply and leave it on for 10 minutes.**
-  7. **Rinse** thoroughly with just water.
-  8. **Ring out and pat dry** hair.
-  9. Apply **Filler Therapy Lifting Milk (3)**, leaving it on for 3 minutes, and then rinse.
-  10. Style hair as desired.

### How to use with colouring

#### Can I colour my hair the same day as the treatment?

-  1. Apply colour **only to the roots.**
-  2. **Rinse** after the recommended time has passed.
-  3. Wash with **Nashi Argan Classic shampoo.**
-  4. Apply **Filler Therapy Clarifying Shampoo pH+ (1)** to damp length. Leave it on for 3 minutes, then rinse.
-  5. Apply **Filler Therapy Long Lasting Filler (2)** with a colouring brush, starting from the ends and massaging in the direction **of the roots.**
-  6. **Dry** hair thoroughly with a regular or hooded hair dryer.
-  7. **Rinse** thoroughly.
-  8. **Apply the colour to the lengths together with 3D light tone on tone – Clear.**
-  9. **Rinse** after the recommended time has passed.
-  10. Wash with **Nashi Sealer pH 3.0 shampoo** and rinse.
-  11. Apply **Filler Therapy Lifting Milk (3)**, leaving it on for 3 minutes, and then rinse.
-  12. Style hair as desired.
